

MERIT ENERGY COMPANY

From DFW Airport

Take the **North Exit** out of the airport to **Interstate 635 East** and stay on 635 (LBJ Freeway) for approximately 14 miles. Take the **Dallas Parkway Exit (#22D)**. The ramp splits as you exit, so stay in the far right lane and look for the signs directing you to **Dallas Parkway North**.

Go through the light and take a **Left** on the One-Way (headed North). After crossing over 635, take a **right** at the second light, **Alpha Road**. Go one block on Alpha, and take your first **left on Noel Road**. Take a left at the second turning bay and Merit Energy Company is in the building directly ahead on the 5th floor.

From Love Field Airport

Upon exiting the airport, take a **left** on **Mockingbird Road**. The road will bend to the right, so stay in the right lane. After a few blocks, take a **left** onto the **North Dallas Tollway** (40¢ charge). Go North for approximately 3 miles and take the **Galleria Road/Alpha Road exit**, and stay in the right lane headed North.

After crossing over 635, take a **right** at the second light, **Alpha Road**. Go one block on Alpha, and take your first **left on Noel Road**. Take a left at the second turning bay and Merit Energy Company is in the building directly ahead on the 5th floor.

Parking

Visitor parking is available on the first floor of the **Parking Garage**. Take the Tower 2 elevator to the **Third floor Breezeway**. Follow signs to the **Tower Two** elevator banks and take the elevator to the 5th floor.
